Requirement on [REDACTED]

25X1A5a1

1. Is there any indication that the Soviet bloc is providing technical assistance for the development of Egypt's oil resources?

2. If so, describe: the nature of the assistance; the terms of the agreement under which it is being carried out; the numbers, nationalities and level of skills of Soviet bloc technicians or advisors working with the Egyptians; amount and types of equipment provided by Soviet bloc sources.
